# Patrons BENEFITS

Louise Latham, violin

As a Patron, you will receive a number of benefits to deepen your involvement with the orchestra.

## **Priority access to ticket booking**

As a Patron, you will hear about our new season, launched each May, a whole two weeks ahead of the general public. This time will enable you to decide on the performances you would like to attend. You can book up to two tickets per performance ahead of the public.

## **Exclusive Patrons' communications**

If you are happy to hear from us, we would love to share our latest updates and news with you twice a year, in addition to the occasional emails you will receive from us more generally.

## **Access to pre-concert talks**

To hear more about the upcoming performance and enjoy meeting members of the orchestra and team, you will be able to attend talks before the performances you are attending.

## **Access to post-concert drinks**

After you've enjoyed a concert with us, why not stay for a drink afterwards to meet the orchestra, members of the creative team and other Patrons and Friends? As a Patron, you will be able to attend with a guest.

## **Acknowledgement on our website, in our season brochure and in our concert programmes**

We would be honoured to recognise your support as a Patron. Please let us know if you would prefer to remain anonymous.

## **Honorary membership of the Friends of NCO**

As a Patron, you are warmly invited to join the Friends of NCO. This welcoming community organises fundraising events for the NCO, provides practical help and offers other benefits too.
